## *Evaluating Corrosorber paper and Daubert Cromwell Silver Saver paper*

**Background:** An evaluation is sought on the following products, Cortec Corporation “Corrosorber Paper” and Daubert Cromwell “Silver Saver”. Both products are advertised as providing excellent tarnish protection to silver.

**Purpose:** Evaluate Corrosorber paper and Silver Saver paper in a hydrogen sulfide environment.

**Method:** Hydrogen Sulfide Test with silver panels

**Materials:** Hydrogen Sulfide Test Kit with silver panels  
 Cortec Corporation “Corrosorber Paper”  
 Daubert Cromwell “Silver Saver”  
 Neutral Natural Kraft paper (Control)

**Procedure:** The above test was performed according to standard procedure.

**Results:**

### Hydrogen Sulfide Test

Material	Results
Cortec Corporation “Corrosorber Paper”	Very small areas of tarnish
Daubert Cromwell “Silver Saver”	Severe tarnish, slightly less than control
Neutral Natural Kraft paper (Control)	Severe tarnish

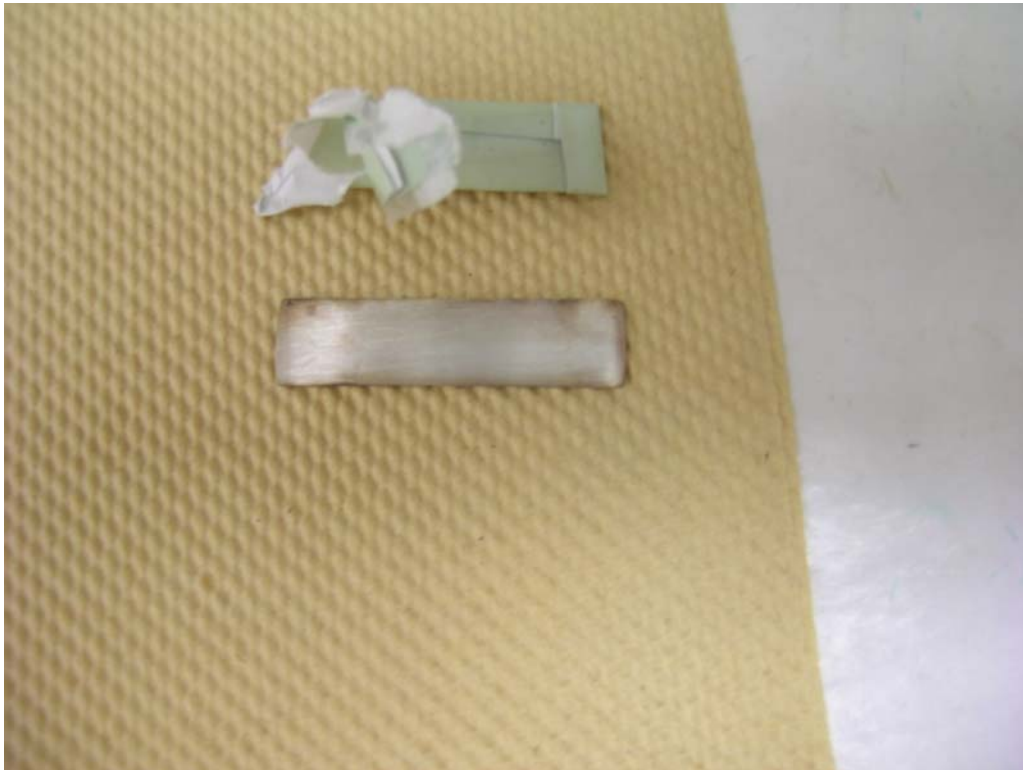

Photos attached

**Conclusion:**

- (1) Cortec Corporation “Corrosorber Paper”, offers significantly more protection to pure silver material compared to the Daubert Cromwell “Silver Saver” paper.

**Project #:** 07-338-1125
